- c. We draw attention to Note No.29.4 to the standalone financial statements, which describes the impact of the COVID-19 pandemic on the operations and financial results. The Management has assessed that there is no material impact on the financial statements due to lockdown and related restrictions imposed towards controlling the COVID19 pandemic. Our opinion is not modified in respect of this matter.

Our opinion remains unmodified in respect of the matters above.

Management's and Board of Directors' Responsibilities for the Standalone Financial Results

These standalone financial results have been prepared on the basis of the standalone annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these standalone annual financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results

SRITHAR & ASSOICATES

Chartered Accountants

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by the Management and Board of Directors.
4. Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

SRITHAR & ASSOCIATES

Chartered Accountants

5. Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

Our attendance at the physical verification done by the management was impracticable under the current lock down restrictions imposed by the government. Consequently, we have performed alternative procedures to audit on the existence and condition of inventory at year end as per the guidance provided in SA-501 'Audit Evidence - Specific considerations for selected items' and have obtained sufficient audit evidence to issue our un-modified opinion on those standalone financial results.

Our opinion on the statement is not modified in respect of this matter

The standalone annual financial results include the results for the quarter ended 31st March 2020 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

6. The lockdown all over the country due to COVID-19 pandemic, there was a direct impact on the Company's business, performance and financials to some extent. Both the Company's FIBC Bags Manufacturing (EOU) Unit and Open End Textile Division unit situated at Cholapuram South, Rajapalayam were shut down completely for a period of 22 days from 25.03.2020 to 15.04.2020 due to lockdown. Due to uncertainty prevailing currently in terms of COVID-19 pandemic spread and control, we are not able to assess the exact impact of this pandemic on our business, but we continue to assess the situation on an ongoing basis.

The Company has resumed its business operation with effect from 16.04.2020 partially with 50% employees after getting due permission from the local government authorities and in compliance with the Social Distancing Norms (Standard Operating Procedures) issued by the Ministry of Home Affairs, Government of India. Further our production capacities remain underutilized, low attendance of employees, supply chain disruptions, significantly higher freight cost, etc., which are impacting the business and the profitability.

Both the Company's FIBC Bags Manufacturing (EOU) Unit and Open End Textile Division unit situated at Cholapuram South, Rajapalayam have been sanitized so that all our employees are safe and secure. All safety protocols of temperature sensing, wearing of Safety gears (masks, goggles, face shields), social distancing, sanitizing and washing hands are being adhered to very stringently in all the work places of the company.

There is no impact on the orders position for FIBC Bags and the company is able to meet its delivery commitments with minor setback during the total lock down period.

The company got permission for the postponement of repayment of term loan commitments for the first three months, as per the Honourable Finance Minister, Govt. of India, announcements a set of reforms / stimulus in five tranches covering major sectors of the economy but the payment of interest on bank loans and working capital credit limits was made in time. From operational perspective, company has discharged all its statutory obligation in respect of payment of salaries and wages to employees, and other statutory payments and account payables, etc., in the regular course of business. Further the company is in a comfortable liquidity position to meet its commitments.

Company continues to adequately maintain all internal financial and reporting controls and none of our assets have been impacted or impaired as a result of the pandemic.

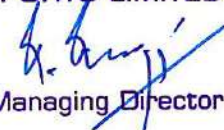

However, a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve

Management's and Board of Directors' Responsibilities for the Consolidated Financial Results

These consolidated year to date financial results have been prepared on the basis of the consolidated year to date financial statements.

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results that give a true and fair view of the consolidated net profit and other comprehensive income and other financial information of the Group including its subsidiary in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its subsidiary are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act; for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the

consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Directors of the Holding Company, as aforesaid.

In preparing the consolidated annual financial results, the respective Management and the respective Board of Directors of the companies included in the Group and of its subsidiary are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management/Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its subsidiary is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
4. Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its subsidiaries to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its subsidiary to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its subsidiary to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entity included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

2. Our attendance at the physical verification done by the management was impracticable under the current lock down restrictions imposed by the government. Consequently, we have performed alternative procedures to audit on the existence and condition of inventory at year end as per the guidance provided in SA-501 'Audit Evidence - Specific considerations for selected items' and have obtained sufficient audit evidence to issue our un-modified opinion on those consolidated financial results.

Our opinion on the statement is not modified in respect of these matters with respect to our reliance on the work done and the reports of the other auditors and financial results/financial information certified by the Board of Directors.

The consolidated financial results include the results for the quarter ended 31st March 2020 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2020 and the published unaudited year to date figures up to the third quarter of the current financial year, which were subjected to a limited review by us.
